

HIKING TRAILS

in the

NELSON AREA

Nelson, the Queen City of the Kootenays, and the best small arts town in the country, is also a hiker's paradise. No less than 11 trails are close to or in the city for walking, hiking and some for biking. These are also used for cross-country skiing and snowshoeing in the winter.

Trails in the Parks have not been included as they are well advertised in the Park's brochures. This brochure is produced by the

**NELSON AREA TRAILS SOCIETY
(NATS)**

with financial assistance by the
